

# Vaccinations for COVID-19 Winter Programme 2022-2023

The Winter COVID-19 Vaccination programme continues, and BHT are running clinics for those with additional needs.

Whether it is for their 1<sup>st</sup>, 2<sup>nd</sup> or a booster dose, the team would be happy to see you!

Venue: Amersham Hospital. Outpatient dept.

Dates: Thurs 26<sup>th</sup> Jan. 15:00-18:00hrs

Thurs 16<sup>th</sup> Feb. 14:00-18:00hrs

Thurs 2<sup>nd</sup> March. 15:00-18:00hrs

Thurs 30<sup>th</sup> March 15:00-18:00hrs

If you have any questions or wish to book, please email:

[bht.covidvaccineteam@nhs.net](mailto:bht.covidvaccineteam@nhs.net) or  
[bht.learningdisabilityandautismliaisonnurses@nhs.net](mailto:bht.learningdisabilityandautismliaisonnurses@nhs.net)

One of the team will contact you to discuss how we can best help every individual through their vaccination journey.

Appointments are tailored so we create a positive, safe environment for each service user.

## Why should we get vaccinated?

- Individuals with additional needs are eligible for a winter booster.
- Vaccinations also help to protect those in your household, your friends & community.
- 'Evergreen' offer available to those yet to start.
